Talking Points

Talking Point 1: Paul has not only shared the gospel, he has shared his heart. And his heart is to fulfill his purpose in spreading the gospel and advancing the kingdom. The gospel is part of your story too. But it must not end with you. If you are in Christ, the gospel has changed you inwardly so that you can show it outwardly. **So how do you do that?**

Talking Point 2: Write down three specific ways (settings/circumstances/souls) you will commit to fulfilling the call of Christ's mission to share the good news of the gospel and make disciples.

Talking Point 3: There is a danger in getting discouraged, or distracted, or off track, or lazy— even as a church. The Body of Christ we call CrossTrain exists to glorify God by spreading the gospel and advancing the kingdom. We gather, and we are sent out, FOR CHRIST— to remember what He did, and what He has called us to. So let's remember:
God's goodness is best sensed when we give it away.
God's love is best seen when we willingly sacrifice our wants.
