## A New Life in the New Reign

## CONNECT to Christ

- God's Word will wash over our souls to inform and transform our faith. But we can only get so far in a 45 minute Sunday discussion. We need to keep the conversation going throughout the week by reading passages that support what we heard. Doing it TOGETHER as couples, families, and friends (D-groups) will help us get better and better at making disciple-makers.

## BE in Community

- Be part of conversations about HOW we can live out God's mission of redemption and restoration as we get trained to teach others the truth! D-Groups and the OT Survey class start SOON (next month)! Check the Church Center app, go to our website, talk within the Body, or talk to a leader to be sure to get connected.

## ENGAGE in the Call

- The amazing Letter of Romans is God's clearest articulation, and Paul's great dissertation, on God's awesome plan of salvation. This letter tells us exactly why we see all that is going on in the world, what God has done about it, and what our role is. Invite others into this walk WITH you through these anchors of the Christian faith by telling them to "Come and see..." what God has to say.
